# Color Logo Maker Crack With Product Key Free PC/Windows

Download

## Color Logo Maker Crack

Color Logo Maker is a compact and portable application that you can use to create logos in just a few steps, as the name suggests.

It primarily caters to users with little or no experience in such apps. As installation is not a requirement, you can just drop the executable anywhere on the hard drive and run it immediately. Otherwise, you can move Color Logo Maker to a USB flash drive or similar storage unit, in order to run it on any computer with minimum effort. It is also important to take into account that the

Windows Registry area does not receive new entries, and files are not left behind on the hard drive after removing the application. The GUI of Color Logo Maker is based on a standard window with a plain and simple layout, where you can input the text caption and choose the colors. It is also possible to format font settings when it comes to the name, size, shadow (offset, opacity, blur) and text bump (azimuth, width, elevation). Generating the image in the primary panel for previewing is done with the simple click of a button. If you are satisfied with the results, you can export the project to a BMP, JPG or PNG item. Color

Logo Maker uses a moderate-to-high quantity of CPU and RAM, has a good response time, and generates a logo rapidly. We have not come across any problems in our evaluation, since the tool did not hang, crash or pop up error dialogs. Thanks to its intuitive layout and overall simplicity, first-time users can quickly learn how to deal with Color Logo Maker. Why you should choose SoftwareGiants to buy Color Logo Maker? 1. 100% Privacy - we never ask you for your personal information. 2. 30-day

Money Back Guarantee - if for any reason you are not satisfied, you can always get a full refund within 30 days. 3. 45-day Service - any software problems you encounter will be fixed within 45 days. 4. Friendly customer support - Contact us if you need help. We are always there to assist. ## Color Logo Maker

Color Logo Maker is a fast, easy to use, and intuitive app, which you can use to create professional logos quickly. You can make a logo in a few minutes using only four simple steps. Step 1 – select the text; Step 2 – select the colors; Step 3 – type the caption; and Step 4 – save the work. The design is very easy to follow, as each step is intuitive and self-explanatory. Once you start using Color Logo Maker, you will not want to use any other graphics software. You can select the colors and fonts, even if you have little experience in such applications. Additionally, you can change the shadow and text settings to the best of your tastes. The logo format generated is an icon in the form of a bitmap, which can be saved in any format, including BMP, JPG or PNG. Other features include optimizing the image by removing the background color, using an alpha channel, making a link to a website, and more.
